

2012 MVSOA Referee Clinics

Clinic Dates: Coming Soon!

Online registration is strongly recommended due to a change in fee structure.

Help us help you make the registration process go smoother and faster.

Visit <http://www.mvsoa.org/ussf.htm> (or 2012 Referee Registration document) for registration instructions.

New Referee (Grade 9) Clinic

An entry-level clinic for ALL NEW Referees regardless of their prior experience.

New Referee Clinics cannot be used to satisfy the annual 5 hours of instruction for currently registered referees.

Referee Bridge Clinic

Designed for EXISTING Recreational Referees (Grade 9) who want to upgrade to USSF Referee (Grade 8.)

The Bridge Course cannot be used to satisfy the annual 5 hours of instruction for currently registered grade 8 or 7 referees. Grade 9 referees registered in previous years may use the Bridge Course to satisfy their recertification hours if they complete the upgrade to grade 8.

Referees that complete a new referee clinic and a Bridge clinic in the same year will not be charged an additional USSF fee or State Administrative Fee if they notify the registrar of the Novice Clinic that they plan to advance to a grade 8 referee in the same year.

Referee Re-Certification Clinic

Designed for any EXISTING USSF certified referees who need to meet the annual training requirements to renew their license.

MVSOA reserves the right to cancel any clinic if less than 10 people sign up to attend. Fees need to be paid at the beginning of the clinic. Fees, US Soccer on-line registration, and OYSAN Risk Management are needed at the beginning of the clinic.
